## Background:

Billy came from a middle class family with  
four brothers and a sister. Didn't like school  
and joined the military after  
graduating. Army for four years, learning  
mechanics of jeeps, Humvees and transport  
trucks

**Reasons for joining:** Billy was deployed in  
Korea when his unit came across a village  
experiencing issues. One villager had been  
killed and the people blamed it on a demon.  
They wanted the person killed and Billy and  
the others intervened. One of Billy's unit,  
upon guarding the accused, started acting  
strange and killed the accused, then attacked

# **PROJECT THRESHOLD PERSONNEL**

the rest of the unit. Billy shot his friend and as the young man died, he saw something he keeps calling a ghost, rise out of the soldier and float away. After debriefing, Billy kept asking questions and started researching the topic. He was approached by Project Threshold and joined the following year. Joined Berger's team and has been part of DCT for 3 years.
