Background:

Grew up in Lafayette Indiana with mom. Dad left. No direction and was burned out on school in college and joined the military.

Reasons for Joining:

Was on patrol in the Mid East and came across a building with something stalking the premises (suspected djinn). Three members of her team were killed by "accidents" and the building was subsequently evacuated and bombed to the foundation. Survived and got curious. As she got debriefed, she asked questions and they recruited her for Project Threshold.

Personal Interests: Loves sci-fi movies including Firefly and one called Threshold. Fan of Kurt Russell and Peter Dinklage. GOT fan. Excellent at baking.
