

PROJECT THRESHOLD PERSONNEL

File Information:

Name: Melissa (Seet Ka) McCoy

DOB: April 25, 1985

Citizen Status: American and Eyak Tribe

Department: Direct Contact Team

Rank: Sergeant

Team Assignment: DCT—DIV-A, Riker 4
years. 12 years in PT-8 years in
Research/Historical Archives

Appearance:

Height: 5'2"

Weight: 138

Build: Average

Hand Dominance: Ambidextrous

Hair: black

Eyes: brown

Distinguishing Physical Characteristics:

Long hair kept in ponytail

Education:

Bachelor's Degrees in Mythology, Cultural studies and anthropology. PhD in Folklore

Training:

Basic PT combat but less than average

Favored Weapons: AA-12 Assault Shotgun

Skills:

Strengths: Psychic skills and a memory for lore and history. She's calming and has a positive attitude which helps others.

Weaknesses: Limited combat skills

Languages: French and half a dozen Native American languages

Background:

Lived in anchorage-mother moved there with father early on. Mixed race. No other siblings. Fascinated with her own lore as well as lore of other Native American tribes. Went to college and caught PT's eyes because of her research into mythology, folklore and religion.

Reasons for Joining:

Obtained a PhD in Folklore and was recruited by PT as part of Research and History. When PT discovered she's a strong psychic she was recruited for the DCT. Hannah Riker met her and instantly liked her. Recruited her for her team and they've

PROJECT THRESHOLD

PERSONNEL

gotten along ever since. Been with Riker's team for over 4 years.

Personal Interests: She's extremely focused and loves lore and mythology. Does like coffee and peach pie. Loves sweets and comfort foods. Discovered references to an ancient tribe in Alaska predating all others and she doesn't even have a name for them so refers to them as "The Ancients."

Zodiac: Taurus

Family:

Deishu—Mother; Oliver McCoy—father

No siblings

SO: None

Psych Evaluation:

Talents: Strong psychic: can use telepathy though she prefers to not to. Intuition and can pick up energy on objects, from people and entities. Can "See" things normal cannot.

Last Date: March 22, 2022

Cleanser Interactions: Gets annoyed with Cleansers and shuts them out. Never required and intervention

Details:

Recommendations: She refuses to let them into her head so evaluations amount to fifteen minute conversation talking about past encounters.
